I was born and brought up in Woodlesford. I left school at 16 and worked for marks and spencer before becoming an air stewardess and moving to Holland for 2 years. I moved back to the UK and got married to Phil (25 years in September!). We have 2 boys, Alex is 21 and Max is 20 they both attended Swillington scouts. We have lived in Swillington for 14 years, the last 2 in the old school on church lane . It has been an absolute labour of love and we have restored the old school house to as close to the original building as was possible. Converting the school building is the next step in our renovation story. I work for first direct bank and my hobbies are baking, tending our allotment and walking our beloved dog Borris, who most of the village know as he's always sat by the gate watching the world go by.
