Register of interests

I am 54 years old. My wife and I moved to Swillington in 1995 after buying a business and home on Church Lane. I joined Swillington Parish Council in 1996 having been interested in local news and politics. I enjoy being close to the countryside and I am often out with my two spaniels. Swillington is a good mix of walkways being close to St Aidens, Lemonroyds and Templesham.

In my spare time I watch all sorts of motorsport and read local newspapers. I have an interest in classic cars and to go to local shows when I can.
